## **Function and Duties:**

Responsibilities related to Youth Ministry:

1. Midweek: Lead the weekly youth group gathering on Wednesday nights.  
*We already have a group of volunteers who are ready to follow you where you lead the group on Wednesday nights. They will support your leadership and aid in the execution of tasks. This incredible group of leaders can give reassurance that when you take vacations, they will be able to sustain everything while you are being refreshed!*
2. Sunday: Oversee the weekly youth Sunday school class.  
*Sunday School is from 9:15-10:00. Currently, we use curriculum through Lifeway so that you do not have to create content for Sunday School. If there was a specific topic you'd like to address, though, or if you'd like to try a new method to teaching, you certainly have that freedom!*
3. Events: Oversee activities throughout the year (Game nights, camps, sporting events, etc.)  
*In the past, our group has gone to Summer youth camp and had various events throughout the year to build relationships outside the four walls of the church. Many of our teens also participate in extra-curricular activities that you and other youth leaders can cheer them on in.*

Responsibilities related to Music Ministry:

1. Leading Music on Sunday  
Currently, we have services on Sunday morning and Sunday evening. Morning services rotate between having contemporary music which is lead by the band and hymns lead by the music director. On an average week, you would be involved in leading the music for these services. While being the pastor over music, you will have a music director to follow your lead and help you in anything you need. Like with the youth team, music will always be in good hands when you need to take time off and be refreshed!
2. Song Selection:  
As the pastor over music, you would have a big part in deciding the theology that is sung in our church.
